

North America Covid-19 Regulations

VACCINATIONS

Proof of vaccination (Physical or Digital) will be checked at the door.

All attendees must have a valid Country/State photo identification in addition to their proof of full vaccination/booster shot/negative COVID test result.

All attendees ages 5 and older must have proof of full vaccination.

- [Full vaccination definition](#): 2 weeks (14 days) after final dose of an approved primary vaccination series.
- - Attendees ages 12 and older must have proof of booster shot vaccination if the final primary series vaccination dose is older than 6 months (“up to date” status).
- Attendees ages 4 and younger must have proof of a negative COVID test result within 72 hours prior to the start of the event.
 - Home tests will not be accepted.
 - Official documented tests will be checked for dates.

Face Coverings

Surgical/procedural or respirator face masks must be worn by all attendees; cloth masks and face shields will not be accepted as suitable face masks.

- Procedural/surgical masks and respirators that meet [CDC standards](#).
 - Proper fit over nose and mouth to prevent leaks
 - No gaps around the sides of the face or nose.
 - Multiple layers of non-woven material
 - Adjustable nose wire
 - No wet or dirty material
 - No exhalation valves, vents, or other openings
- Approved respirators that meet international standards
 - KN95, N95, 1st, DL2, DL3, DS2, DS3, FFP2, FFP3, KN100, KP95, KP100, P2, P3, PFF2, PFF3, R95, and Special.
- Masks must be properly worn at all times inside the venue
 - If an attendee is unable to wear a mask for any reason, they must refrain from attending the event.
 - Mask requirements are subject to change depending on local covid conditions and regulations.

Food/Beverage Consumption

- There is no eating or drinking allowed in the main play area of the venue.

- Each location may vary, but when available, designated locations will be made known to the guests for areas to eat & drink.

- If there are designated areas for the consumption of food and drinks, those that are **actively eating or drinking*** have to remain in the designated area; we suggest socially distancing from other attendees during this period when possible.
 - ***Actively eating or drinking definition:** The brief amount of time during which a mask may be removed to eat or drink, after which the mask is immediately worn properly.

Sanitization

All attendees will be required to sanitize hands prior to the start of their next match.

- Hand sanitizer will be provided by staff.

***Policies and regulations are subject to change without prior notice, depending on the situation and local, city, and state regulations.

Prohibitions from the venue

- No smoking/vaping of any kind
- No Alcohol of any kind

*The Tournament Organizer reserves the following rights at their discretion:

Denying entrance to the event

Requesting attendees to leave on a case-by-case scenario.
