# The Overlordblaze "Toshiki Kai"

CARDFIGHT!! VANGUARD G LEGEND DECK02

Are you worthy to take on the blazing mantle of a **Legend**?

## Dragonic Overlord "The Legend"

The ace card of Toshiki Kai boasts a powerful effect to put itself to stand after attacking a rear-guard, similar to other Dragonic Overlords of the past! It becomes a grade 4 unit when you use its ability, and gains power and an additional drive, allowing it to rival a G unit! The cost to use its ability includes discarding a <Flame Dragon> from your hand, and with its second ability, it allows the player to do just that.

## Transcendence Divine Dragon, Nouvelle Vague L' Express

Reborn as a G unit, Nouvelle Vague boasts similar abilities to its predecessor. It forces the opponent to deal with its attack with just grade 0 guardians, and it also prevents the opponent from activating a heal trigger at the very last moment. Used at the right time, it will definitely help you to seal your victory!

Featured  
Cards!!

## Spear of Flame Dragon, Tahr

Apart from giving your vanguard an added +4000 power, this card also allows you to search the top 5 cards of your deck for <Flame Dragon> that can be used for Dragonic Overlord "The Legend"'s effect! Apart from that, it also helps to get one non-trigger card out from your deck, increasing your rate of getting triggers!

## Cardfight!! Vanguard G Legend Deck Vol.2

### Product Specification

- 1 pre-constructed trial deck contains 56 pre-set cards.
- 2 exclusive PR cards, 1 Folding Deck Case and 1 Fighters Counter included!
- Starter's guide and playmat are included.

Stand a chance to receive 1 Hot Stamp Foiled Card randomly inserted into decks!!

It even gives those units the Boost ability, which allows you to even call grade 3 cards and have them Boost!
