REAPER'S GIFT

Trial Deck Vol. 4

As war rages on and the depths of hell are filled to the brim, the reaper has decided to grant a lucky few an opportunity for escape. Wouldn't you want to fight without the fear of an abrupt end in death? Of course you would, but everything has a cost.

DRAGON
BORNE
A RISE TO SUPREMACY

www.dragoborne.com

Facebook Twitter YouTube Dragoborne

[Reaper's Gift] is an aggressive deck that uses unconventional tools to bypass the opponent's defenses. Good and evil are childish notions in the face of true power, and only those who are willing to sacrifice everything will become mighty beyond reckoning.

KEY CARDS

Kazzakh, the Hellbent

Kazzakh gives any of your other creatures +3/+3 for the turn, then destroys them, and brings them back to life, forcibly triggering any abilities that go off when creatures are destroyed. It also has a black Dragocross ability that allows you to draw cards when its attack connects with a creature or a fort - and since it itself has more than 8 total ATK and EDR, you're guaranteed to draw at least 1 card.

Gearmagnus Saboteur

Gearmagnus Saboteur is already an annoying creature that can deal damage to opposing creatures when it dies, but Kazzakh makes it truly shine - destroying and reviving it every turn means that opposing creatures with 2 or less EDR can never stay on the battlefield for too long.

Cards!!

Booster Pack Vol. 2

War has begun, one in which every nation has a stake. And in order to gain an advantage, alliances have been formed; each participant working towards their own goals. Some move with a purpose born of strong belief, some based on personal whim. The trick is to figure out who is out to get you killed.

[Oath of Blood] is the second booster pack expansion for Dragoborne -Rise to Supremacy- and contains upgrades for pre-existing decks, as well as cards to build new decks around. Forge new alliances and overcome your adversaries to stand above the rest in your rise to supremacy.

KEY CARDS

Wings of the Sunscale

Wings of the Sunscale is the perfect card for aggressive decks to curve out into, as it provides the draw power required to keep up the pressure on your opponent. It also reaches 6 ATK when it becomes Dragocrossed, allowing it to break through any Dragoshields in its way.

Reeda, Scrapper's Ally

Reeda offers players another way to bring back creatures from the discard pile to your hand. As her ability requires the player to have a black creature in play, Reeda fits best in decks that center their strategies around red and black creatures.

7 cards
per pack

Genesis Dragon, Harmonics Neo Messiah

"Genesis Dragon, Harmonics Neo Messiah" is a great finisher for the "Messiah" deck!

Your objective will be to have all 5 of your rear-guards, and then unlock them using its ability. With this move, all of your rear-guards will get +5000 power while it gets a total of +25000 power boost!! Also, your opponent will not be able to call a sentinel to guard against this powerful attack!!

Deliberate Deletor, Aodaïen

The "Deletors" are back with more action!!

Turn your opponent's vanguard into a powerless unit with the Delete* ability. After that, exterminate them with your vanguard, as well as your rear-guards that received the power boost from Aodaïen's ability!!

*When a vanguard is deleted, its original power becomes 0 and it loses all abilities that are written on itself.

Death Star-vader, Chaos Breaker Deluge

Chaos Breaker Dragon makes a grand return with the brand new Death Star-vader, Chaos Breaker Deluge.

Its powerful ability forces your opponent to turn 2 of his or her cards in hand to be locked on the field. Furthermore, if the opponent has four or less damage, one of his or her locked card will be sent straight to the damage zone face down!!

Death Star-vader, "Omega Fall" Glendios

How can we forget about the invincible "Glendios"!!

Activate Death Star-vader, "Omega Fall" Glendios's ability to force your opponent to lock cards from his or her damage zone onto the field. Those cards cannot be unlocked during your opponent's next end phase!!

With its 2nd ability to deal damage to yourself, you can achieve "Star-vader, "Omega" Glendios's alternate win condition easier now!!

A "Messiah" deck can be constructed with this product and the same-day release "Messiah Dragon of Rebirth" trial deck. A "Star-vader" deck built around "Chaos Breaker" can also be constructed with just this product.

Cards that strengthen the "Glendios" and "Deletor" decks are also included!
