ULTIMATE STRIDE

Cardfight!! Vanguard G
Booster Pack Vol.13

Descent of the
Zeroth Dragon!!

Introducing the Zeroth Dragons, a series of menacing G units that will change the game significantly!! However, with great power comes great cost!! You will need to remove your entire G zone after striding into any Zeroth Dragon.

Zeroth Dragon of Distant Sea, Megiddo

"Zeroth Dragon of Distant Sea, Megiddo" is the Zeroth Dragon representing the nation, Magallanica.

With Megiddo's ability, you can now call units from your drop zone or hand, and have them attack multiple times in a turn. This ability has great synergy with the clans from Magallanica!!

Remember to use Megiddo as your last resort or final attacker as you will not be able to stride anymore after using Megiddo!!

Marshal General of Surging Seas, Alexandros

"Marshal General of Surging Seas, Alexandros" is a powerful addition to your (Aqua Force)/deck!!

You can stand 2 of your rear-guards after the end of Alexandros's attack and give them a power boost before they strike again!! Although the power boost is dependent on the number of faced-up cards in your G zone, it is possible for the 2 chosen rear-guards to gain an enormous amount of power!!

Plan your attacks well to achieve the maximum advantage from Alexandros!!

Cards!!

Zeroth Dragon of Inferno, Drachma

"Zeroth Dragon of Inferno, Drachma" is the Zeroth Dragon from the Dragon Empire and it really shows what the Dragon Empire units are best at.

Apart from retiring all your opponent's units and binding them, your opponent will have to choose 3 cards from his or her hand and discard 2 of them. The remaining 1 out of the 3 will be used to ride as a vanguard. If you are lucky enough, your opponent's vanguard will be diminished to a Grade 0!!

Supreme Heavenly Emperor Dragon, Dragonic Overlord "The Purge"

《Kagero》 fans rejoice as we are getting a brand new Dragonic Overlord!!

This card is a formidable attacker with not one, but two very offensive ability!! Its first ability allows you to deal 1 damage to the opponent's vanguard while ignoring the trigger effects. Its second ability allows itself to have a crazy amount of up to 5 drive checks!!

There will be more brand new Dragonic Overlord support cards coming out in this expansion too!!
