## ASURA KAISER

## Booster Pack Vol. 4

### A SHOWDOWN BETWEEN THE LIVING AND THE MACHINES

The declaration of war on all living beings by **Deus Ex Machina** has thrown the whole of Vashr into turmoil, as the machines turn against their masters. All five nations must now put aside their differences and unite against this common foe, or face destruction at the hands of the machine horde.

The foes of yesterday must put aside their differences for now, and unite against a common foe...

...or fall before the march of the machines.

But there are those that have tasted power and thrown their lot in with the machines.

### INTRODUCING NEW KEYWORD "OVERFLOW"!

[Surge of Titans] will include the new keyword ability 'Overflow' as desperation and zeal give birth to new power!

**Overflow** (When this creature's attack destroys a creature or [shield], you may deal any excess damage to another chosen creature.)

A creature with 'Overflow' that hits hard enough will see its attack chain to another creature, making it easier to break through your opponent's defenses!
