CARDCAPTOR Sakura

CLEAR CARD

Cardcaptor Sakura : Clear Card marks the first English Edition Exclusive Weiß Schwarz title to be released worldwide!

Embark on a brand new journey with Sakura and her friends as they start their middle school life together! Check out this month's card – isn't Sakura simply stunning in white?

Sakura: Pure White Dress

If you like abilities that help you dig through your deck for cards, this card will definitely pique your interest! Whenever you play a climax, regardless of its color or the level you're playing it at, you can look at the top 4 cards of your deck for a «Tomoeda» or «Magic» character and add it to your hand for the low, low cost of 1 stock.

The first ability of "Sakura: Pure White Dress" works in perfect tandem with its second ability, allowing you to look at the top card of your deck when it hits the stage – and even allowing you to dump it into the waiting room if it's not the card you're looking for. This can be used in conjunction with effects like Brainstorm as well to improve your chances for a hit!

Sakura Kinomoto

Revealed during the BCS World Finals 2018 held in Japan, "Sakura Kinomoto" has not one, not two, but a whopping four Change targets in total! You have to return "Sakura Kinomoto" to your hand, which means you can Change again on your next turn!

Each Change target has a unique ability and are each found in different colors, but having "Sakura Kinomoto" means you have access to any of her forms at level 2 depending on your deck build. She can even pay for her own Change if you reveal a level 1 or lower card with her first ability!

Curious about the abilities of "Cardcaptor Sakura: GALE", "Cardcaptor Sakura: RECORD", "Cardcaptor Sakura: REFLECT" and "Cardcaptor Sakura: SIEGE"? Keep an eye out on our Facebook page for more reveals!

bushiroad staff pick of the month

Introducing our new column Bushiroad Staff Pick of the Month! Of the countless cards that we bring to you in every release, some leave a more lasting impression than others. Each month, our staff at Bushiroad will pick and share the cards they love the most!

Stay tuned every month to the Bushiroad E-Newsletter to find out which!

Exploding Tomato [V-EB03/029EN] Extra Booster 03: ULTRARARE MIRACLE COLLECTION

VEB03 was released in December and 3 clans, each with distinctive strategies, were introduced. The token mechanics from Neo Nectar is most interesting, and this card, "Exploding Tomato", is a rare card with potential. It can turn the tokens into hand resources, while tokens are mostly free units generated by card abilities. After the conversion, "Exploding Tomato" can also turn itself into plant tokens, ready to be utilized again. When a Force clan's hand size grows... You know its unstoppable.

All points aside, I adore it because it really looks like Don Patch. (Do I get legal consequences for saying that?)

Standing Up Vanguard, Robin
- Cardfight!! Vanguard In-Charge

"Gate of Babylon" Gilgamesh [FS/S36-E008] Fate/stay night [Unlimited Blade Works] Vol.2

This card captures the flavor of everyone's favorite golden Archer exquisitely. His ACT ability allows you to discard Weapon characters to boost his own power, which is just like King of Heroes – hurl weapons at your opponent until they submit!

His Climax Combo ability reaches maximum output if you mill 2 climax cards with 2 soul triggers each into your waiting room. If Climax can be considered precious in Weiß Schwarz due to their intrinsic place in the game's mechanics, then it wouldn't be far-fetched to classify them as priceless treasures – treasures that can be found in Gilgamesh's Gate of Babylon! Truly a well-designed card!

King of No Cancels, Matthew
- Weiß Schwarz In-Charge

Queen: Naranja Staff [S-BT03/0018EN] S Booster Pack Vol. 3: True Awakening of Deities

Announcing the arrival of the Queen! And your opponents have a good reason to fear her when she's on the field!

For she gives all Drametal monsters power and defence for each of your oppressed areas! And more importantly, thanks to her presence on the field, all Drametal monsters on your oppressed areas cannot be destroyed!
