The Raging Tactics

EXTRA BOOSTER 09

The much-awaited support for Tachikaze, Spike Brothers, and Megacolony is coming to a friendly local game store near you!

TACHIKAZE

V-EB09/SV01EN
Thundering Sword Dragon, Angerblader

With this unit, you can put immense pressure on your opponents by retiring one of their rear-guards of your choice, re-standing your rear-guards in the front row, and giving a power-up to all of your front row units (including itself)!

I go well with: Deflagration Dragon, Bombraptor (available in the same Extra Booster)!

SPIKE BROTHERS

V-EB09/SV02EN
Deadheat Bullspike

This unit definitely lives up to its card flavour. With the cost of a soul blast, you get to move all force marker's to an attacking unit's circle. If the Force-boosted attack doesn't connect, your opponent will still lose a card (thanks to its second ability). Ouch!

I go well with: Bad End Dragger (available in the same Extra Booster)!

25TH OCTOBER ON SALE!

Product Specifications

66 types of cards + Various Parallels
2 cards in every pack will definitely be R or above cards!

MEGACOLONY

V-EB09/SV03EN

True Demonic Rifle Rogue, Gunningcoleo

Unlike the previous MegaColony key unit from V-EB01: **The Destructive Roar**, this one features a new playstyle.

Coupled with any other guard restrict ability, **Gunningcoleo** can become an enabler for a devastating final turn assault!

I go well with: **Unrivaled Blade Rogue**, **Cyclomatooth** (available in the same Extra Booster)!

Unrivaled Blade Rogue, Cyclomatooth [V-EB09/008EN] Cardfight!! Vanguard Extra Booster 09: The Raging Tactics

Unrivaled Blade Rogue, Cyclomatooth brings a more aggressive way to play a Megacolony deck. Instead of utilising units in rest, you can now make use of deck and hand destruction to further wither down your opponent's defences. It's a great unit on its own as well, bringing pressure with every attack and forcing your opponents to guard this attack if they have taken a considerable amount of damage. You can thin this card together with "True Demonic Rifle Rogue, Gunningcooleo" to make an explosive turn which is sure to leave your opponent defenceless.

My Bushido! [BD/W63-E067 U] BanG Dream! Girls Band Party! Vol.2

Being the band known for their multicolor theme, this event card comes in handy at a high level, dealing 2 damage and getting healed simultaneously, all this at no cost to your stock! The difficulty in pulling it off lies in constructing a deck that consists of well-distributed colors and perhaps sheer luck?

† Demonic Meteor Childe † Tan Dust [S-BT06/0023EN] Ace Booster Pack Vol. 6 Soaring Superior Deity Dragon

Here's an interesting card from the upcoming S-BT06 for Dragonblood Sect! This guy gets additional power and defense for each soul in cards on your field! Not only that, whenever Tan Dust attacks, you can add cards into the soul of a Dragonblood monster on your field and gain resources!
