Gust Blaster Dragon [V-BT04/001EN] English Edition Cardfight!! Vanguard Booster Pack Vol. 04: Vilest! Deletor

Shadow Paladin's new boss unit is here! Gust Blaster Dragon! Releasing in Vilest! Deletor! When this card attacks for the small cost of counter blast one and retiring two of your rearguards, it forces your opponent to retire one of their own regards and gains power +10000! You also get to draw one card so it's as if you regained back a resources for its cost! Pretty cool don't you think? Additionally, when you have a grade 3 "Blaster" in it's soul, it gains a critical whenever a rearguard is retired! Really makes your opponent think when is the appropriate time to guard.

Don't underestimate this card just because it doesn't have guard restrict!

Cardcaptor Sakura: Reflect [CCS/WX01-057] Booster Pack Cardcaptor Sakura : Clear Card

Easily one of the best cards in Cardcaptor Sakura : Clear Card (in my humble opinion, at least), Cardcaptor Sakura: Reflect boasts respectable power and the ability to reduce incoming Soul damage. What makes this card really shine, though, is the ability to nullify your opponent's effect damage during her battle, forcing your opponent to win by regular damage and making their best finishers look like a joke.

As if that's not enough, when your opponent attacks into her, they take 1 damage for their trouble. You might be able to win the game on your opponent's turn a fair amount of times just with this effect!

Deity Dragon Beamsword, Garknight Saber [S-TD01/0017EN] Future Card Buddyfight Ace Trial Deck Vol. 1: DRAKNIGHT

With a new Garga comes new items!

Garga's swords are now Garknight Saber! Gain life when you attack with the saber, and if the saber's power reaches past 10,000, you can draw a card as well.

This card will be in the trial deck coming April 26th, so get your hands on it and start playing!
