English Edition Cardfight!! Vanguard G Revival Collection is finally on sale this month! New players who want to try out the premium format, or those who wish to get their hands on awesome new shiny cards, may want to check out their local store as soon as possible. It is not an exaggeration to say that this is one of the most sought-after booster packs to date. In the set, all 24 clans, you heard that right, are included! And in this issue, I will be covering 2 clans.

Cardfighters, we heard you! In Revival Collection, Still Water Festival Deity, Ichikishima, makes a reappearance. Being able to restrict guardians makes this a really strong G Unit, and when used at the right timing, it's akin to sealing your opponent's ability to guard. But what I really like about this card is the ability to draw 2 cards, helping to fulfill the requirement for Oracle.

Sun of Eternity, Amaterasu and Battle Sister, Baumkuchen make up the rest of the Oracle Think Tank units in this set. Notably, Sun of Eternity, Amaterasu has the ability to look at the top card of the deck, despite being a G Guardian. With the extra knowledge of what is at the top of the deck, it is easier to plan the future!

Holy Divine Knight, Gancelot Peace Saver is one of the fiercest G Units around. Even now, its prowess is still something to be feared. It is an excellent first stride, with an easily fulfilled condition to gain an extra critical, drive check and also counter-charge 1. But its role does not end there. Even after returning to the G zone, it protects all of your Blaster Blades with Resist during your turn, living up to its title of a Holy Divine Knight!

For Royal Paladin, Little Great Sage, Marron serves as the G Guardian and Laurel Knight, Sicilus is the stride support, both of which are good cards for playing in the Premium format. "Marron" in has been around since the start of Cardfight!! Vanguard, with a grade 1 version.

Fun Fact! Little Great Sage, Marron can call Little Sage, Marron to the guardian circle with its ability!

Get ready for English Edition Cardfight!! Vanguard G Revival Collection!
Don't miss out on the chance to collect all the Zeroth Dragons too!

## pick of the month

### Heart Monopoly, Anezka [V-EB05/SP09EN] English Edition Cardfight!! Vanguard Extra Booster Vol. 05: Primary Melody

A heartwarming new Diva takes the stage! Presenting Heart Monopoly, Anezka!

This powerful unit combines the powers of Force, Accel, and Protect into one clan! This does not come without a risk, as the normal units within those revealed cards need to have different names! However, with so many new Bermuda Triangle units to choose for your deck, this may be easier than you think! With a base of 14000, and all the Imaginary Gift options at your fingertips, this Diva will overwhelm any opponent that challenges her stage!

**ZeroHuskGamer, Kevin**  
- Bushiroad Marketing Staff

### Imanity's Representative, Sora [NGL/S58-E003 RR] Booster Pack No Game No Life

It might take some getting used to, but the higher restrictions on Sora's ability aren't really too difficult to meet for a free 2 damage to your opponent!

Clock a level 3 card for the turn, use the very last of your stock to pay for Sora's cost, then use his ability to send the level 3 card you just clocked into the stock! If you have two or more Sora on the field and want to use this ability multiple times, the Intrinsic Genius event would be a great addition to your deck!

**King of No Cancels, Matthew**  
- Weiß Schwarz In-Charge

### Awakened Deity Dragon, Gargantua Knight Dragon [S-TD01/0001EN] Future Card Buddyfight Ace Trial Deck Vol. 1: Draknight

Garga's new form, Awakened Deity Dragon, Gargantua Knight Dragon, is finally here! A new form means he gets a few new buffs! No longer having <G-Evo>, he gains <G-Boost> which gives all <Deity Dragon Tribe> cards on your field a massive +10,000 Power and an additional critical!

With the game now having a bunch of cards that weaken your opponents cards, this card will be a major help against decks that are really annoying to play against such as Electrodeities...

With new abilities, of course that means Garga will get a cool new design! Garga's new design has him with new armor and a sword which makes him look like he always has your back in a Buddyfight no matter what! Watch out guys, there's a new sheriff (or rather knight) in town!

**Grand Judge, Alex**
