WINNERS' INTERVIEW

INDONESIA - BUDDYFIGHT

Ihsan Syahputra

How long have you been playing BFE? How did you first get into the game?

Around 8 months. I start playing right when Ace Booster released. My friends tempted me with Gargantua Dragon's artwork just before the Buddyfight Ace anime aired.

What is your favorite Clan/World/Title to date, and why?

I like dragons in general since I was a child, so I would go with Dragon world.

What is your favorite card? Why?

I like *Gargantua Dragon, Gattling Mode* because it's a dragon with gatling gun and it's so cool.

WINNERS' INTERVIEW

SINGAPORE - BUDDYFIGHT (TEAM)

Keith Lee

How long have you been playing BFE? How did you first get into the game?

I've been playing Buddyfight since the game started.

What is your favorite Clan/World/Title to date, and why?

My favourite world is hands down Ancient World. Seeing Sieger at its prime when Ancient World was released back in 2014 left a deep impression in me when I was a lot younger, the thought of controlling massive dragons with the lifelink concept was just stunning to me. Also I really love the passionate or naturally proud/overpowering nature of all the major characters that ran Ancient World, mainly Genma of course.

What is your favorite card? Why?

My favourite card would be *Loyalty* because it played a huge role in all 10 rounds of my games in the Spring Fest haha.

Ian Chng

How long have you been playing BFE? How did you first get into the game?

I got into the game after vanguard and was pulled in by my teammates to play BFE.

What is your favorite Clan/World/Title to date, and why?

The Chaos, I love the theme of the deck and the farming potential it has.

What is your favorite card? Why?

Vanity destruct vanish because it hits for 8 critical!

Glenn Goh

How long have you been playing BFE? How did you first get into the game?

Been playing since D-BT04 after stopping at BT01. Got into the game after vanguard, just for fun.

What is your favorite Clan/World/Title to date, and why?

Magic world because I like spell based deck, and the names and art are nice.

What is your favorite card? Why?

Great Spell, *My Grandfather Clock*. Wizards archetype is just fun and nice, one more turn is also a good effect.

WINNERS' INTERVIEW

TORONTO - WEISS SCHWARZ (TEAM)

 **James Wan**

How long have you been playing WSE? How did you first get into the game?

I have been playing WSE for about 4 years now. I first got into the game because of Love Live School Idol Festival.

What is your favorite Clan/World/Title to date, and why?

My favourite title to date is Love Live/ Love Live Sunshine. These are my favourites because it's the set that got me into playing and has helped me win the most.

What is your favorite card? Why?

We Are A Single Light. This card is my favourite because the art is really nice and its one of my favourite costumes in the anime.

Roy Choi

How long have you been playing WSE? How did you first get into the game?

I've been playing Weiss for 4 years, I first got into the game by buying a trial deck at a card shop, then I started whaling on boxes to get better at the game xD.

What is your favorite Clan/World/Title to date, and why?

My favorite title is Bang Dream, because Afterglow in Bang Dream has the best characters and voice actors! Sakura Ayane is quite the good taste.

What is your favorite card? Why?

My favorite card is "Accepting feelings" Moca Aoba, since it features both Ran and Moca in the art of the RR. Also, it is the first SSP I bought for my JP Afterglow deck!

Wilmer Kwong Hin Sang

How long have you been playing WSE? How did you first get into the game?

I've been playing Weiss Schwarz for 3 years now. I first got into the game at an anime convention when my original plan was to collect Weiss Schwarz. At that time a friend who was very into card games encouraged me to play instead of collect.

What is your favorite Clan/World/Title to date, and why?

My favorite title to this date is Konosuba! I really loved the series and all the characters are hilarious. I think the first set is filled with a lot of charismatic effects which represent the characters well.

What is your favorite card? Why?

My all time favorite card is "*Miracle Destroyer, Yukikaze*". The effect of the card is a chance effect that is likely to succeed in typical "Kantai Collection" decks.

A chance effect that is likely to succeed on the character blessed by the goddess of fortune is really interesting! Most importantly of all, Yukikaze is my favorite character of the "Kantai Collection" series.

Future Card Buddyfight Staff Pick Detective of the East, Shinichi Kudo

[S-TD-C01/0003EN]

Future Card Buddyfight Ace Trial Deck Cross Vol. 1: Detective Conan -Side:White- a.k.a Case Closed -Side:White-

The first Trial Deck Cross is just round the corner and this card is one of the must-haves in this Trial Deck!

Shinichi gets Triple Attack the minute he enters the field and when your final phase comes, you can return Shinichi back to your hand and can call Conan to the field! There's always only one truth! Let's reveal the truth this coming June!

Forever in Folktale Land, Vanessa

- Future Card Buddyfight In-Charge

Vanguard Staff Pick Top Star, Cier

Bermuda Triangle is one of the clans that constantly requires players to fill up the field for effects. After all, who would want to see an empty "stage". However, this kind of playstyle causes a problem with the player's hand size.

Introducing the cutest Top Star, Cier from Extra Booster 05: Primary Melody! Not only will she prevent rear-guards in the same column as her from being attacked, she can search for a card from the top of the deck as well. As a Bermuda Triangle clan player, not losing rear-guards via battle is insanely good.

Don't attack the cute mermaid idols!

Crit, Crit, Double Crit Jon

- Vanguard In-Charge

Weiß Schwarz Staff Pick Satellite Scan

[GGO/S59-094]

Unlike the usual power-based Backups, Satellite Scan offers a unique effect that can have multiple applications! On the surface, it lets you dig 4 cards deep for an «Avatar» or «Net» character during your main phase, or during your opponent's battle phase during the counter step. The card gets significantly more powerful when used during the opponent's turn – you can potentially reduce the amount of soul damage that you are receiving if, for example, you play this and find 4 characters, that's 4 soul damage avoided!

Satellite Scan can also be salvaged with cards like "Superb Geographical Sense, M" and "Gun Enthusiast, Pitohui", which allows you to use it more often!

King of No Cancels, Matthew
