Esteemed Deity of Abundant Waters, Ichikishima [V-SS01/008EN] English Edition Cardfight!! Vanguard V Special Series 01: PREMIUM COLLECTION 2019

Being a fan of the clan Oracle Think Tank, I'm glad to see that Ichikishima has another Grade 4 version! Besides the cute art and nostalgia, this card is definitely a worthy addition to my deck because of its ability.

Striding this card after using up Still Water Festival Deity, Ichikishima, the draw power and guard restrict ability continues! Furthermore, after turning her face up with her card ability, she gets stronger with extra 2k power gain per card in your hand AND the number of face up cards in your G zone, to your entire front row!

Magia Ringleader, Fiona

"Knight of the Round Table" Saber of Red [APO/S53-E035] Booster Pack Fate/Apocrypha

Though it differs from the usual Level 1 cards that give you card advantage, "Knight of the Round Table" Saber of Red is no less powerful for it.

Although it can only retrieve two specific cards, one of those cards is "Two Cigarettes", an event that allows you to mill your deck and retrieve a character. Effectively, you'll always get 2 characters!

King of No Cancels, Matthew
- Weiß Schwarz In-Charge

Saving Subordinates! Inspector Megure [S-UB-C01/0037EN] Ace Ultimate Booster Vol. 1: Detective Conan a.k.a Case Closed

This is another card from the collaboration with Detective Conan a.k.a Case Closed! This time, from the Ultimate Booster Cross releasing soon!

Inspector Megure's size here reduces by 2 when another Police or character with "Detective" in its attribute is on your field! But the more important ability is the next one, for when Inspector Megure attacks a character alone, he attacks all of your opponent's characters instead!!

Collect this card for yourself when July is here!

Forever in Folktale Land, Vanessa
- Future Card Buddyfight In-Charge
