AQUA FORCE

V-EB12/SSR03EN - Last Card, Revonn

Mess with the attack power of your opponent's vanguard using up more resources to guard off your stream of attacks!

Living up to its name as the Last Card, all that is left to do after is to swing in with a power up, additional drive and critical (if you have a grade 3 in soul)!

Pair me with: V-EB12/008EN Blue Wave Marine General, Galleass (available in the same extra booster)!

USED BY RUGA KAIZU!

V-EB12/SSR02EN - Dragonic Vanquisher

Bind units on both sides to sizzle up your gameplay! Plan your use of hand cards wisely, as some supporting units (from the same extra booster) allow you to return it to field when bound from hand!

Utilize these superior calls to replace rested units for additional attacks! When three units are bound in the same turn, power up your front row units and tear down your opponent's defense!

I go well with: V-EB12/027EN Desert Gunner, Bhajan (available in the same extra booster)!

NARUKAMI

USED BY RYUTAROU OYAMA!

pick of the month

Demonic Dragon Berserker, Chatura [V-EB12/014EN] Cardfight!! Vanguard Extra Booster 12: Team Dragon's Vanity!

I like how the new Narukami line-up "binds" cardfighters together.

Assuming "Dragonic Vanquisher" is your vanguard, you can make use of its second ability to bind your opponent's front row rear-guard, and by ensuring that you have a grade 3 unit in soul (which can be easily fulfilled if you have "Jaggy Shot Dragoon"), bind this unit from your hand to activate its second ability, which allows for it to bounce to field with a +10000 power up!

If its attack hits an opponent vanguard, you can even increase your hand size, on top of binding yet another front-row rear-guard within the same turn!

Now that's how you get the party started!

Rewriting the Imagination, Serene - Bushiroad Marketing Team

"Eternal Ice and the Rose" Eugeo; Blue Rose Sword [SAO/S65-E075 R, SAO/S65-E099 CC] Sword Art Online -Alicization-

As the deuteragonist of the first Alicization arc, this "Eternal Ice and the Rose" Eugeo character card is a force to be reckoned with!

For me, this is a neat card because it plays both offensive and defensive at the same time.

For a start, its first AUTO ability allows you to dig 3 cards deep into your deck for a card that you need, depending on your board state. In addition, the AUTO ability gained from its CX combo allows you to deal damage to your opponent during their turn while preventing the latter from doing the same.

However, all this is not without a hefty cost, so do strategize when it is a good time to execute this card!

Sky's the Limit, Cheryl - Bushiroad Marketing Team

Full Powered Gridman [S-UB-C05/0019EN] Ace Ultimate Booster Cross Vol. 5 SSSS.GRIDMAN

We're excited for this upcoming Ultimate Booster Cross and it's not hard to see why!

With four Assist Weapon in its soul, Full Powered Gridman gets Quadruple Attack and Penetrate!
And whenever Full Powered Gridman attacks any of your opponent's characters, your opponents can't use any Counter!

This is just a taste of Gridman's true power! There are many more powerful cards like this one in store in SSSS.GRIDMAN, so get your orders in today!

Forever in Folktales Land, Vanessa - Bushiroad Marketing Team
