“Miss Kobayashi’s Dragon Maid Burst Forth!! Choro-gon☆Breath” Evolves! To Be Available on Steam with New “Director’s Cut Edition”!

Bushiroad, Inc. (HQ: Nakano-ku, Tokyo, President: Takaaki Kidani, hereafter “Bushiroad”) announces that the official game for the hugely popular manga “Miss Kobayashi’s Dragon Maid,” Miss Kobayashi’s Dragon Maid Burst Forth!! Choro-gon☆Breath, will receive a Director’s Cut Edition and be sold on Steam®.

“Miss Kobayashi’s Dragon Maid Burst Forth!! Choro-gon☆Breath” Evolves and Comes to Steam®!

Nintendo Switch/PlayStation4 game “Miss Kobayashi’s Dragon Maid Burst Forth!! Choro-gon☆Breath” will power-up even further and come to Steam®!

In this first official game of the popular “Miss Kobayashi’s Dragon Maid,” a strange occurrence sends Miss Kobayashi and the dragons into a cursed computer. Now, they must combine their powers to escape in a brilliant and authentic bullet hell shooting game!

Switch between Tohru, Kanna, and Elma as you battle with unique “Ranged Attacks” and, unique to shooters, melee “Striking Blows,” in addition to the special dragon-form Choro-gon☆Breath attack. Also, getting attacked under certain conditions will activate “Raging Spark”, prompting a more revealing form with a strong power up!

Blow enemies away to get rare pieces with which when combined, form illustrations that provide a mini-drama into the daily lives of Tohru and the others in addition to lots of other completionist content! There 5 different endings based on your clear conditions, too. Then, in addition to an all-new illustrations and a fully-voiced story, the game has evolved into a Director’s Cut Edition that showcases the passion of the development team!
