<What is “BanG Dream!”?>

“BanG Dream!” is a next generation girls band project that links animated characters with real life performances. It is a media franchise that includes Anime, Games and Live performances. Voice actors from “Poppin’Party” & “Roselia” formed real bands and are actively performing live. With growing popularity, two additional bands, “RAISE A SUILEN” and “Morfonica” were formed and are in the midst of activities as well.

Developed together with Craft Egg Inc., the smartphone game “BanG Dream! Girls Band Party!” launched in Japan in March 2017, followed by a global launch in April 2018 and has generated over 15 million downloads worldwide.
