

FOR IMMEDIATE RELEASE

INVICTUS: Lost Soul Collaboration with Cardfight!! Vanguard Exhibits in the World's Largest VR Expo, Virtual Market 5

SINGAPORE (December 17, 2020) - Bushiroad International announces the collaboration of its new mobile card battle game, “INVICTUS: Lost Soul”, and the widely celebrated card game franchise, “Cardfight!! Vanguard”, will exhibit in the world’s largest VR expo Virtual Market 5. The event will be held from December 19th 2020 to January 10th 2021. Contents from both titles will be exhibited during the event, including popular characters as 3D avatars available for purchase, and an event space presenting one of the stages from the game.

*“INVICTUS: Lost Soul” is currently available for download in Australia, New Zealand, Singapore, Philippines, Indonesia, Malaysia, and Vietnam regions, with global launch (including in Japan) set in Spring 2021.

<Event Details>

Available Avatars

The boss character Damon Kane from “INVICTUS: Lost Soul”, and the legendary figure Blaster Blade from “Cardfight!! Vanguard” will meet everyone in their stunning 3D avatars in the VR exhibition, each available at JPY 3,000.

Event Space

The exhibition will be presenting Cyber World, one of the story stages in “INVICTUS: Lost Soul”, for attendants to experience the all futuristic yet unknown world with naked eyes. Besides the above-mentioned avatars, visitors will also be able to virtually walk around and grab a variety of weapons in the area.

■ What’s “INVICTUS: Lost Soul”

It’s a mobile card battle game currently mainly released in SEA regions, with a gameplay system involving building card decks from over 90 cards (including Attack, Defense, and Support types) to fight against real players 1-on-1 using various card combos. The global launch is planned for Spring 2021.

■ What's "Virtual Market"?

Virtual Market is an event held in virtual spaces where exhibitors and visitors can sell and buy various items, such as 3D models, clothes, or computers etc. In addition, visitors can also virtually ride vehicles, watch videos, and explore business opportunities while communicating with one another. The event is available to anyone with a computer, and no VR headsets are required. During the event, it will be open 24/7, attracting over 700,000 visitors from Japan and around the world.
