

FOR IMMEDIATE RELEASE

Mobile game Detective Conan Runner: Race to the Truth To be officially released on June 5th 2019!

About "Detective Conan Runner: Race to the Truth"

"Detective Conan Runner: Race to the Truth" is a horizontal runner game based on the hit Japanese animation series "Detective Conan".

Other than the running gameplay sequences, players can also enjoy story scenarios from the anime as well as original illustrations in the game.

The game will be available on iOS and Android in Hong Kong, Taiwan, Singapore, Thailand, Malaysia, Germany, Chile, Mexico, Switzerland, Saudi Arabia, Vietnam, France, Indonesia, Philippines, Spain, Brazil, Egypt, Italy, and Norway.

It will also be available in United States, United Kingdom, Canada, Australia, Netherlands, New Zealand, Denmark, Finland, Russia, and Sweden as "Case Closed Runner: Race to the Truth".

Gameplay

Join the adorable Conan and his friends as they run, overcome obstacles, and collect points to chase down suspects. User-friendly gameplay of tapping the screen to make the characters jump allows the game to be accessible to anyone. Each character also has their own unique skill that can give you an advantage when used in the game.

Illustrations

Various character illustrations will be available in the game, and players will be able to set the illustrations they have collected in the Home menu. There will also be original illustrations for the game, and more will be added down the line.

Story Scenarios

Each area brings you to the challenging cases Conan and the others have previously faced. Enjoy the deduction techniques of Conan as they solve case after case.
