“Miss Kobayashi’s Dragon Maid Burst Forth!! Choro-gon☆Breath Director’s Cut Edition” is now available on Steam!

As of October 27, 2022, the hugely popular manga “Miss Kobayashi’s Dragon Maid”, Miss Kobayashi’s Dragon Maid Burst Forth!! Choro-gon☆Breath Director’s Cut Edition will be available on Steam®.

This is the first official game for “Miss Kobayashi’s Dragon Maid” and is a full-fledged shooting game! Miss Kobayashi and the dragon maids are trapped within the strange occurrence of a cursed PC and must join forces to escape!

The difficulty of each stage in the Director’s Cut Edition has been adjusted! Developed by Kaminari Games, who are the creators of numerous shooting masterpieces such as Caladrius and the “Raiden” series, have created this authentic shooting game! Compared to the original version, the Director’s Cut Edition has five levels of difficulty so both beginners and experts can enjoy the game!

In addition, the game features original illustrations of the stage bosses from the original author, Coolkyousinnjya!

Under certain conditions, the game’s original “Raging Spark” system activates and special illustrations will be displayed when you challenge the bosses! Look forward to witnessing the true form of enemies when you challenge them with Tohru and her team!
